Zebra China ZipShip Launch: Z-Perform 2100T

Zebra Technologies Asia Pacific is excited to announce the launch of China ZipShip Direct Thermal Paper Label Z-Perform 2100T. Z-Perform 2100T is a premium white top-coated, smooth thermal transfer paper with permanent acrylic adhesive that demonstrates excellent print quality. It is ideal for auto-labeling and high-speed printing.

VALUE PROPOSITION

Zebra ZipShip offers end users a standard labeling solution that is economic and easy to order.

Features:

- White top-coated thermal transfer paper that exhibits excellent print quality when paired with the Zebra 1600 & 1700 Ribbons.
- High tack permanent acrylic adhesive which offers strong adhesion to corrugated and various other surfaces, especially stainless steel & PC.
- Ideal for high speed/auto labeling application in mass production manufacturing.
- Rohs Compliant

Applications:

- Industrial Identification/Warehouse Labeling
- General Barcode Labeling
- Standard Lab Identification
- Food & Beverage
- Retail, Supermarket
- Transportation & Logistics

Differentiation:

- Improved printhead life by the combination of both smooth substrate and Zebra-compatible ribbons.
- Great attraction between adhesive and surface that the facestock rips on steel and PC surface *(means very strong bonding, refer to TDS)*
- Cost effective

Product Size:

Please refer to next page for spec of core size.

Understand China ZipShip Label Part Number

Most label part numbers can be broken down in the following manner by the label's component:

example:

02T60401000(K)

Technology
Thermal Transfer

Class
China:2100

Family Code
Z-Perform

Tear Line

Quantity
1000 Labels

Size: W x L (mm)
60 x 40 mm

CORE SIZE OF Z-PERFORM 2100T

Part Number	# Across	Width (mm)	Length (mm)	Core Size ID (mm)	Labels/ RL
