Multi-Flex Security Car Mount for Galaxy Tabs

PAD-MFSCG

Multi-Flex Car Mount

This flexible, multi-jointed tablet mount allows you to comfortably and safely display your Galaxy Tab in the front seat of your car. Designed for use with commercial and passenger vehicles alike, this drill-free car mount installs easily to your vehicle's seat rail using included mounting hardware and can be safely removed at any time. The arm features two tilting, rotating joints for custom positioning, plus folding clasps to lock them in place, preventing unwanted movement when in motion. The enclosure tilts and rotates 360 degrees for portrait and landscape orientations, protecting your tablet from theft with a powerful lock and key security system, and allowing full access to your tablet's ports, buttons, cameras, and headphone jack, for card reader compatibility. The case and arm mount are also equipped with an interior cable management system to permit neat tablet charging while in use.

Features:

- Mounts to your vehicle's seat rail with no drilling required
