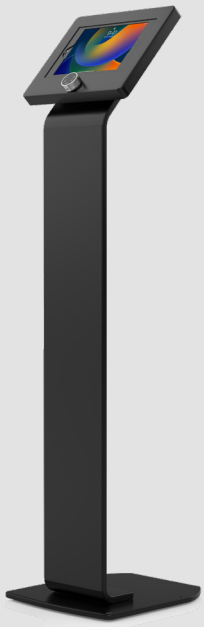
Premium Locking Floor Stand Kiosk w/ Digital Password Combination Security Enclosure

PAD-PARAFDC "For iPad 10.2 (7th-9th gen), iPad Pro 10.5, and iPad Air Gen 3 and more"



Premium Locking Floor Stand Kiosk w/ Digital Password Combination Security Enclosure

CTA Digital's Premium Locking Floor Stand Kiosk with Digital Password Combination Security Enclosure makes tablets the attractive centerpiece of any standing workstation. Tough enough for daily use in a warehouse, the office, or virtually any worksite, this kiosk stands 50 inches tall. The sleek enclosure proudly displays a rechargeable digital lock front and center that provides clear, visual protection. Instead of easy-to-misplace keys, this lock opens with a programmable 4-digit code. To charge the lock, connect the included cable and plug directly into the wall. The battery takes approximately 2 hours to charge, and the charge will last up to 3 months if used regularly. The center of this stand allows plenty of space to neatly route cables. A weighted base with rubber padding provides protection for floor surfaces.

Features:

- Heavy-duty locking enclosure
- Durable steel body kiosk
- Interior cable routing system
- Included charging cable for lock is 17.7" (Wall Plug Power Adapter not included)
- Scratch protected padding on weighted base
- Perfect for reception desks, waiting rooms, warehouses, job sites, and more
- Programmable digital combination lock
- Fully recharged lock will work for up to 3 months
- ADA Compliant
- VESA 75mm x 75mm capable, for easy mounting to arms and other VESA equipment
- Compatible with latest iPad 10th Gen 10.9", iPad 10.2-inch (7th, 8th, 9th Generation), iPad Pro 10.5, and iPad Air Gen 3 (other 9.7-11" tablets by special order request)

Specifications:

- Kiosk dimensions: 13.5" x 16" x 50"
- Base dimensions: 13.5" x 16"
- Enclosure dimensions: 10.2"L x 12.1W" x 2.0H"
