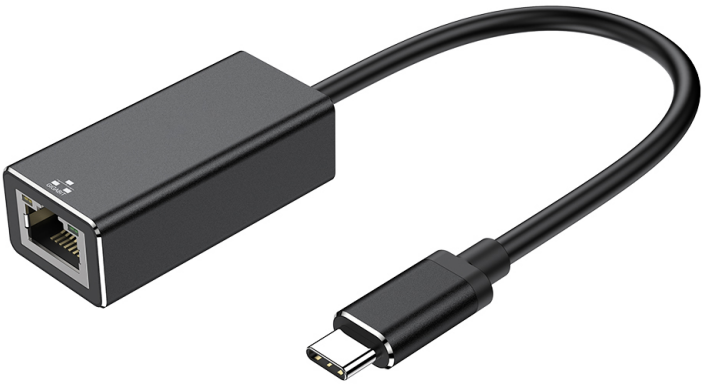
4XEM USB-C to 1 Gbps RJ-45 Ethernet Adapter – TAA

4XEM Part- 4XUSBCRJ45TAA



The 4XEM USB-C to 2.5 Gbps RJ-45 Ethernet Adapter is a versatile, high-performance solution designed to provide lightning-fast Ethernet connectivity for your USB-C enabled devices. Compliant with USB 3.2 Gen 1 and IEEE 802.3bz standards, this adapter allows data transfer speeds of up to 1 Gbps, supporting network rates of 10/100/1000 Mbps. Whether you're a professional or casual user, its compatibility with a wide range of operating systems makes it a convenient and reliable option.

It comes packaged in a compact box, complete with one USB-C to RJ-45 Ethernet Adapter. Plus, the adapter is TAA compliant, ensuring it meets U.S. government procurement standards. This product also comes with a one-year warranty, offering peace of mind for long-term use.

Certified TAA compliant

DATA SHEET

Features:

- Achieve data transfer rates up to 1 Gbps (10/100/1000Mbps)
- Supports USB 3.2 Gen 1
- USB Type C connector
- TAA Compliant
- Plug-and-Play
- OS-independent
- Compact Design
- Durable Construction
- Bus-Powered: No external power source required
- 1-year warranty

Applications:

- **Seamless Office Connectivity:** Enhance productivity in professional environments by connecting laptops and PCs to high-speed wired networks, ensuring stable internet access for video conferencing, large file transfers, and cloud-based applications.
- **Government and Enterprise Compliance:** TAA compliance makes this adapter a suitable choice for government agencies and organizations that require adherence to specific regulations, ensuring that all technology meets the necessary standards.
- **Backup Connection for Critical Tasks:** In scenarios where Wi-Fi may be unreliable or unstable, this adapter serves as a dependable backup, ensuring continued connectivity for important work or personal projects.
- **Educational Environments:** Perfect for students and educators, the adapter supports online learning and research activities by providing a stable connection for accessing educational resources and virtual classrooms.
