**Illustration # 6**

Secure Brackets at desired width by tightening (A) screws using Phillip's head screwdriver

Tighten (A) & (A1) Screws using Allen Wrench (G).

## **Important**

The Balt product you have purchased is guaranteed against material and workmanship defects. This guarantee extends 1 year from date of purchase. Should this product fail to function satisfactorily under normal use due to defect or imperfection, the defective part or product will be replaced. Damage caused by common carriers during shipment is not included in this guarantee.

**This guarantee sets forth all applicable guarantees and remedies. No other warranty, expressed or implied shall apply. Failure to follow instructions found in Important Information Section of Owner Sheet shall void the guarantee. Consequential or incidental damages and or costs are not refundable.**
