

## Product Specification Sheet

### Targus 15.4" Traditional Leather Laptop Case

Part #: CLN5

#### Product Description:

Combining the most popular features of our original Leather Notebook Case, such as our popular zip down accessory compartment and two-section expanding file, we added stylish nickel hardware and crafted the case in rich full grain leather. The main section of this notebook briefcase has an adjustable padded divider, which separates your notebook computer from your accessories. The zip down accessory compartment includes pockets for a phone, PDA or glasses, pens and business cards.

#### Product Features and Specifications:

-  This is a [Targus global product](#)
- Full-grain genuine leather notebook case
- Padded notebook compartment fits notebooks with screen sizes up to 15.4"
- Includes luggage strap for easy attachment to rolling travel cases
- Expandable file section with divider and rear zippered pocket for extra file storage
- Includes metal Targus logo, accent Targus lining, upgraded nickel hardware and newly designed zipper pulls
- Increased storage options in refresh version to include:
  - Larger front pocket will now accommodate folders/documents
  - Additional features to front zip-down workstation include pen loops, large mesh pocket, key clip, business card holders, PDA and accessory pockets – eliminates the need to open the main compartment clamshell for access
  - Side-access hidden mobile-phone pocket
  - Improved main compartment panel includes 2 pockets for accessory storage, a slip pocket for files as well as scratch-resistant sleeves to hold 10 CDs or DVDs, and a protective divider to keep accessories and notebook separate
  - Elastic notebook security strap allows for adjustability to various notebook sizes
  - Retractable airline ticket and passport/ID sleeve
