

PS467 Simplex A4 ID Card & Document Scanner with PageManager®

Reclaim workspace with the streamlined Ambir PS467 scanner. At a fraction of the size of bulky flatbed and automatic document feed (ADF) scanners, the sheet-fed USB 2.0 powered PS467 provides powerful scanning capabilities in an ultra compact footprint. Capture high-quality images of business cards, photos and documents up to 8.5" x 14" at 600dpi. The PS467 will even accommodate standard thickness laminated and plastic ID cards such as driver's licenses and insurance cards.*

The PS467 comes bundled with PageManager, a robust imaging and document management software package. PageManager lets you upload and download files from a FTP server, create PDFs from other file formats, includes a preview mode that makes finding files and images easy, and supports Microsoft® SharePoint 2001/2003. The PS467 also includes AmbirScan, Ambir's feature-rich imaging software.

Specifications

- ✓ Scan Modes – 48-bit internal color, outputs 24-bit true color, 8-bit grayscale & 1-bit B&W
- ✓ Scan Speed – 10 seconds per single-sided page in B&W mode at 200dpi**
