LENOVO THINKPAD® X200s NOTEBOOK

AN ULTRAPORTABLE IDEA FOR THE EXECUTIVE ON THE MOVE.

ULTRAPORTABLE CONNECTIVITY

- Updated version of the ThinkVantage® Technology Access Connections™ for improved and simplified connectivity

ULTRAPORTABLE DESIGN

- Extremely lightweight: ThinkPad X200s starts at 2.43 lbs/1.1 kg
- All day computing experience with up to 13 hours of battery life. Other battery options also available if battery life matters more than the weight of the machine
- Increased keyboard size in an ultraportable system for a great typing experience
- Improved speaker performance combined with an optional integrated camera and digital microphone
- New 12.1" widescreen display

ULTRAPORTABLE PERFORMANCE

- Optional Solid State Drive for improved performance, reliability and battery life
- 2.5" HDD for great capacity (7200 RPM and 5400 RPM drives)
- Legendary ThinkPad reliability and durability
- Powerful Intel® low-volt processor CPUs
- Select models feature next generation Intel® Turbo Memory

ULTRA PROTECTED AND ULTRA SECURE

- Shock-mounted hard drive
- Magnesium-alloy top and bottom cover
- Spill-resistant keyboard
- Optional Full Disk Encryption (FDE)
- Optional Fingerprint Reader
- 32-byte pre-boot authentication
- Option to disable all the input and output ports
- Integrated Trusted Platform Module (TPM) 1.2

NEW NAMING CONVENTION: The latest ThinkPad X Series marks the introduction of a new product-naming convention. The new ThinkPad X200s (12.1" widescreen display) will replace the ThinkPad X61s.

Lenovo® recommends Windows Vista® Business.

THE NEW LENOVO THINKPAD X200s NOTEBOOK

ENGINEERED TO DELIVER IMPROVED MOBILITY,
PERFORMANCE, CONNECTIVITY, POWER MANAGEMENT,
ENVIRONMENTAL RESPONSIBILITY AND COMFORT.

The ThinkPad X200s notebook is packed with a host of new technologies that include a Solid State Drive (SSD), an optional integrated camera, a new 9-cell battery and a larger ergonomic keyboard for improved comfort and productivity. It also features an updated version of Access Connections for improved and simplified connectivity. For added protection, ThinkVantage Client Security Solution with an Integrated Fingerprint Reader is another innovative feature that comes with this smart notebook to help secure data against potential intruders.

The new ThinkPad systems are also EPEAT Gold rated for LED Panel model. Equally reassuring is the fact that all ThinkPad X Series models enjoy worldwide, round-the-clock service and support and come with an industry-leading warranty. Optional services like ThinkPad Protection which provide repair and replacement services further help in protecting these assets.

OUTSTANDING BATTERY LIFE

A new Power Management feature enables extended battery life up to 13 hrs. The enhanced BatteryStretch feature allows users to select the most efficient power management on demand.

IMPROVED PRODUCTIVITY

An increased keyboard size provides a unique typing experience in the ultraportable space. In addition, widescreen panels offer improved multitasking functionality and a more “cinematic” experience when viewing media.

COOL AND QUIET

A focused air flow design provides cooler systems and balanced temperatures across the system. The new fan design also guarantees super quiet computing.

Lenovo® recommends Windows Vista® Business.

THINKPAD® X SERIES GOES GREEN

SILVER

- The ThinkPad X200s has achieved an EPEAT Gold rating and an Energy Star 4.0 certification on LED backlight panel model. This new ThinkPad notebook also consumes less power when compared to previous generation notebooks.

What else makes the ThinkPad X Series so "green"?

- One of the most energy-efficient ThinkPads
- Increased power efficiency with the BatteryStretch feature
- Less power consumption with Solid State Drives compared to standard hard drives

Lenovo® recommends Windows Vista® Business.

DESIGNED TO DO THE UNEXPECTED

MAKE AN AMAZING PC EVEN BETTER.

THINKPAD X200s ACCESSORIES:

LENOVO 2GB PC3-8500 1066MHz DDR3 SODIMM MEMORY (43R1988)

Lowest-cost method to boost system performance.
Recommended for Microsoft® Vista®.

THINKPAD X200 9-CELL LI-ION BATTERY (43R9255)

Carry battery spares or replace system batteries when charge capacity diminishes with time.

THINKPAD X200 ULTRABASE (43R8781)

Allows ultraportable and tablet users to snap into an array of connectivity and expansion capabilities.

THINKPAD AND IDEAPAD 90W SLIM AC/DC COMBO ADAPTER (41N8488)

Allows you to power your notebook everywhere you go—in the office, at home, on the road and in the air; optional dual charging cable can also simultaneously charge cell phones or PDA devices.

Footnotes: [1] **Weight:** Includes battery and optional travel bezel instead of standard optical drive in Ultrabay drive, if applicable. Weight may vary due to vendor components, manufacturing process and options. [2] **WWAN service providers:** Coverage not available in all areas. Service available via select service providers and is available in select metropolitan markets. Service agreement required. Special credit and tenure restrictions and additional charges may apply to international roaming. A network connection, third-party software, additional hardware, and/or subscription to a third-party service may be required for certain solutions/applications. Additional restrictions apply. Service is subject to the applicable service agreement/terms from the respective service providers, the corresponding rate plan brochure and coverage maps. Offer subject to change. [3] **International warranty service:** is available for most models in any country in which this product is sold and serviced. Service delivery methods and parts availability vary by country, may be different from those in the country of purchase, and are subject to change without notice. Fees and restrictions may apply in some countries. [4] **Mobile processors:** Power management reduces processor speed when in battery mode. [5] **Operating system:** Level of support varies by operating system. Operating systems not preloaded on the system may not provide full feature functionality. Refer to lenovo.com/pc/support and enter your machine type and model number for more information. [6] **Hard disk drive:** GB=1,000,000,000 bytes. Accessible capacity is less; up to 4GB is service partition. [7] **Models with 4GB memory:** Total accessible memory will be less and will vary depending on the system configuration. Maximum capacity may require purchase of optional component. Subject to availability of new 4GB DIMMs. [8] **11a, 11b, and 11g wireless:** are based on IEEE 802.11a, 802.11b, and 802.11g respectively. The IEEE 802.11n specification has not been finalized and is currently in draft release. The Lenovo and ThinkPad 11a/b/g/n Wireless Lan Mini-PCI Express Adapters are based on the Draft Release, Version 1.0, of the IEEE 802.11n specification. An adapter with 11a/b, 11a/b/g, or 11a/b/g/n can communicate on any of its supported formats; the actual connection will be based on the access point to which it connects. [9] **The Bluetooth word mark and logos:** are owned by Bluetooth SIG, Inc. and any use of such marks by Lenovo is under license. [10] **Battery:** These model numbers achieved Battery Run-down Time of at least the time shown during testing. A description of the testing is available at lenovo.com/pc/www/thinkpad/batterylife. [11] **Limited warranty:** Support unrelated to a warranty issue may be subject to additional charges. [12] **Included software:** may differ from its retail version (if available) and may not include user manuals or all program functionality. [13] Select models. [14] 300 Mbps Receive and 150 Mbps Transmit Bandwidth. Hard drive: GB=billion bytes. Accessible capacity is less than published capacity. A portion of the capacity is service partition.
