Let Your Digital Media Take Center Stage!

Enjoy a complete media experience with the new feature-rich Iomega ScreenPlay Director HD Media Player. With full 1080p high definition and up to 1TB of space to save your files, the ScreenPlay Director includes exceptional features like direct access to online media, CinemaNow, and network connectivity. Easily browse your network to select stored videos to view on your HDTV or access online content with the easy to use remote. The ScreenPlay Director is powered by an Energy Star® qualified adapter for a better environment and includes a 3-year limited warranty when you register your product.

FEATURE-RICH Enjoy 1080p (24 fps) high definition movies on your home theatre. Use the Ethernet connection to store and access music, photos and videos across your home network or store them all in one convenient location on the ScreenPlay Director. Select media, choose subtitles, or adjust settings with the touch of the remote. The ScreenPlay Director is WiFi ready so you can connect to your network wirelessly if you choose (Iomega 802.11n ScreenPlay Adapter required - sold separately)

ONLINE CONVENIENCE Directly access online content from internet sites such as YouTube, Flickr, Internet radio, RSS feeds, or podcasts*.

The ScreenPlay Director includes a selection of popular URLs pre-installed, plus you can configure the ScreenPlay Director to add others as desired. Plus, buy or rent videos online through CinemaNow.com (available in US only) directly from your TV so you have a wide choice of movies in any genre to fit your mood. (additional rental/purchase fees apply).

VERSATILE ENTERTAINMENT OPTIONS

Supports many CODECs and file types including H.264, WMV, and MKV so you can enjoy your entire media collection. Use the 3 USB port connections to attach other external storage devices, a camera, flash drives, or an Iomega WiFi Adapter. Plus, listen to your personal music sound track while you watch a photo slide show

SOFTWARE Iomega Protection Suite software is included with the ScreenPlay Director and available via download. This includes a free six month subscription of McAfee® VirusScan Plus software to protect your PC from viruses and spyware, Iomega QuikProtect™ for simple scheduled file-level backup, EMC® Retrospect® Express to back up your data, plus applications and settings and MozyHome™ Online Backup for the convenience of backing up online (2GB free!).
