Mini 4 Port USB 2.0 Hub
StarTech ID: ST4200MINI

The ST4200MINI Mini 4 port USB hub allows you to turn a single USB connection into four USB ports, and based on a small form factor design, requires minimal space to install.

An ideal laptop accessory for maximizing the number of available USB device connections, the mini four port USB hub operates on low levels of power, helping to ensure that you get the most out of your notebook battery.

The mini four port hub supports Hi-speed USB 2.0 data transfers of up to 480 Mbps, and since the hub is backwards-compatible with previous versions of USB, your older USB peripherals will work perfectly as well.

Applications and Solutions

- Add 4 USB 2.0 ports to your laptop or desktop computer
- Easily connect USB keyboards, mice, joysticks, printers, scanners, modems, or other USB devices to your laptop and desktop computers

Features

- Bus powered
- Compliant with USB 2.0 and USB 1.1 standards
- High speed data transfer rate of up to 480 Mbits/sec
- Small space saving design makes the unit easy to transport and use
- Supports Plug & Play installation

Technical Specifications

- Color: Silver
- Connector Types: 1 - USB A Male
- Connector Types: 4 - USB A Female
- Enclosure Type: Plastic
- LED Indicators: 1 - Power
- Number of Ports: 4
- Operating Temperature: 0 to 40
- Carton Quantity: 110
- Industry Standards: USB 2.0
- Storage Temperature: 0 to 85
- Product Weight: 0.11 lb [0.05 kg]
- Platform: PC and Mac compatible
- Data Transfer Rate: Up to 480 Mbits/sec
- Power Output: 500 mA Total
- General Specifications: USB 2.0 certified by the USB-IF
- Product Length: 3.54 in [90 mm]
- Product Width: 0.79 in [20 mm]
- Product Height: 0.51 in [13 mm]
- Shipping (Package) Weight: 0.13 lb [0.06 kg]
