SuperSpeed USB to SATA Adapter
Connects 2.5"/3.5" SATA hard drive to SuperSpeed USB port
Part No.: 150705

Connect a SATA drive to a SuperSpeed USB port for quick and easy data transfer, backup and storage.
The MANHATTAN SuperSpeed USB to SATA Adapter connects SATA, enhanced-SATA drives and ATA / ATAPI devices to desktop and notebook computers through a SuperSpeed USB (USB 3.0) port. Transferring and sharing files between desktop and notebook computers, backing up files or storing large file archives on external drives is faster and easier to accomplish. Compatibility with hard drives up to 3.5" — including 2.5" notebook computer drives — makes this a versatile tool for professional and home users.

Easily Connect SATA Drives Using a USB Port
Hard drives, Zip drives and other external drives can be quickly connected using a SuperSpeed USB connection popular with computer peripherals and devices. The included power supply supports drives with higher usage requirements. Easy to install and use, its Plug and Play and hot-swap capabilities help provide a convenient method to transfer, store data and test hard drives.

Features:

- Easily connects a SATA hard drive to a SuperSpeed USB port to quickly transfer, back up and store files
- Supports data transfer SATA speeds up to 6 Gbps and USB 3.0 speeds up to 5 Gbps
- Quickly and easily expands storage capabilities for desktop and notebook computers
- Supports 48-bit LBA for drives up to 2 TB
- Fits external SATA hard drives up to 3.5"
- Plug and Play – Windows, Mac and Linux compatible and hot-swappable
- Lifetime Warranty

Specifications:

Standards and Certifications
• USB 3.0
• SATA 300
• CE
• RoHS
• WEEE
• EuP (power adapter only)

General
• ASM1153E chipset
• USB 3.0 Standard-A male; SATA L-type male (data and power)
• 5 Gbps maximum transfer rate
• Supports SATA, enhanced-SATA drives and ATA / ATAPI devices

Physical
• Power adapter: 1.4 m (4.5 ft.)
• USB cable: 1 m (3.3 ft.)
• Dimensions: 7.1 x 3.2 x 1.3 cm (2.8 x 1.25 x 0.5 in.)
• Weight: 65.2 g (2.3 oz.)

Electrical
• Input: 100 – 240 V AC; 50/60 Hz / 0.8 A
• Output: +12 V / 2 A center post positive

System Requirements
• Available USB 3.0 Standard-A port
• Windows XP/Vista/7/8 and Mac 9.x / 10.x compatible

Package Contents
• SuperSpeed USB to SATA Adapter
• Power adapter and quick install guide

* Take extra precautions against electrical discharges when swapping hard-disk drives. Do not handle the drive by its sensitive components or place near speakers, televisions or other magnetic devices. MANHATTAN accepts no responsibility for lost data.
