iPhone not included

# Flow

Docking System for iPhone®/iPod®

## IPDS-10

Dock your iPhone or iPod and let the good times flow with intense sound that fills the room. Use the rotation button to position the player for a portrait or landscape (cover flow) view. The smart design is great for viewing movies, using apps or listening to music while using cover flow. With the video out function, you can watch movies on your large flat panel TV.

CoverFlow

Component Video Output

3D Sound Enhancement

Auxiliary Input for MP3 Players
