05027	\$20/Nickels, Blue
05028	\$100/Dimes, Green
05029	\$100/Quarters, Orange

B. Coin Counting Tubes

Simply drop coins into tube until the excess spills from slot. Insert wrapper, invert, and you've counted and wrapped an exact roll. Four color-coded plastic tubes for pennies through quarters. Wrappers sold separately.

Product No.	Description
05032	Red, Blue, Green, Orange

C. Mini Counterfeit Cash Detector

Convenient and lightweight two-in-one ultraviolet (UV) and magnetic (MG) counterfeit cash detector for use on U.S. dollar (1996 series or newer), euro, and pound.

- Ultraviolet security markings: press UV button to identify the vertical fluorescent security thread (placement varies on each bill).
- Magnetic security threads: press MG button and rub detector head firmly over magnetic areas (face, Department of Treasury seal, bottom denomination border)—detector beeps if magnetic areas are recognized. Wristband and four batteries included.

Product No.	Description
05087	1"W x 3½"L x 1"H, Silver

D. Counterfeit Detector Pen

Makes determining counterfeit bills as easy as night and day. Special patented formula aids in detecting bad bills. Make a small mark on U.S. currency—a dark mark means the bill is suspect; a light mark means the bill passes the test.

Product No.	Description
05086	Black Pen

E. Counter Change Tray

One piece plastic tray has pockets for pennies, nickels, dimes, quarters, halves, and dollars for precise coin count. Each compartment holds exactly five coins. Numbers are clearly marked on the tray.
