

HT642-002

FEATURES

- Flat and tilt wall mount functionality (+5°/-1)
- Hook and hang design allows for an easy installation
- Clean profile design hides cables and mount within enclosed wall plate for a clutter-free installation
- Open wall plate design allows for total wall access, increasing electrical and cable management options
- Adjustable adapter plate prevents the mount from blocking critical connection points on the back of the display
- Includes hardware for installation to wood and metal studs, concrete or cinder block

Enclosed Flat/Tilt Wall Mount

For 32" to 50" flat panel TVs with VESA® 200 x100, 200 x 200 or 400 x 200mm mounting hole pattern

This incredibly easy to install Enclosed Tilt Wall Mount provides functionality while delivering a clean and secure installation for hospitality applications. It is engineered to expedite installation with its hook-and-hang style TV to mount connection, secure the TV to the wall preventing accidental dislodging and theft as well as to provide variable viewing angles. The open wall plate design provides plenty of wall access for installation of electrical outlets and running of input cables. Its box style design finishes off the look by hiding cables and external components from view for a truly clean, clutter-free installation.

TV size: 32"-50"

Max load: 75lb (34kg)
