COMPUTER DESK FEATURING REAL CURVED WOOD

*T*his unique and elegant open architecture computer desk features a beautiful combination of curved wood sides, sturdy steel framing, and tinted tempered safety glass. The curved wood sides are finished in a Vibrant Espresso color, and are complemented by the dramatic intersecting High Gloss Black posts. This desk features a glass pull-out center shelf to utilize a keyboard, mouse, or other media. There is an integrated CMS® Cable Management System in the rear of the desk for routing and managing peripheral wires.
