

### V7 WIRELESS 2.4 GHZ KEYBOARD COMBO

Enjoy the freedom of wireless connectivity with the long-range V7 Wireless Keyboard and Mouse Combination. A roomy full-size keyboard, a contoured optical mouse, and a single wireless nano receiver connects them both to your computer while giving you convenience and control at your fingertips while eliminating the clutter of wires. Eight one-touch hot keys make it easy to control multimedia and frequently used applications. Quick and simple to set-up, the one tiny receiver connects the keyboard, mouse, and other compatible devices provide you an easy plug-and-play experience.

An 800-dpi contoured full-size optical mouse connects instantly with accurate cursor control, precise tracking and maximum wireless freedom. You will love the combination of quality, comfort, convenience and style.
