

HSM® Classic

225.2 document shredder

Ideal central device for large offices

- Automatic start/stop control via electronic eye
- Automatically stops when container is full or door is open
- New auto stop with LED plus auto reverse in case of paper jam
- Additional safety shield for easy feed of CD/DVDs
- Hardened 100% solid steel cutters can handle occasional standard paper clips or staples
- Powerful, specially adjusted motor for longer periods of use - with thermal protection for high performance
- Cutting rollers with patented V-groove complete with a lifetime warranty
- Tried and tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life
- Enclosed housing protects against the spread of paper dust
- Mobile for shared use
- Cross cut & micro cut shredders should be oiled regularly to maintain top working condition
- Optional auto-oiler available for cross-cut and micro cut models.
- Uses a 58 gallon capacity shred bag; Part #HSM2117
