Wireless Stereo Headphones

Listen to hi-quality music comfortably and wirelessly

Works with iPhone, iPad, iPod, Smartphones, Tablets, PC or Mac laptops, Skype, Yahoo Messenger, Windows Live Messenger, Gmail and AIM

Overview:

The Aluratek Bluetooth Wireless Stereo Headphones delivers hands-free convenience and superb hi-fidelity stereo sound wirelessly. Stream your favorite tunes and listen to audio from your Smartphone, Tablet, PC or Mac laptop. Connect with friends and colleagues thru Skype, Yahoo Messenger, Windows Live Messenger, Gmail and AIM with the integrated microphone. Easily switch between phone calls and music with the touch of a button.

Bluetooth not an option? You can use the included 3.5mm audio cable for a direct connection to an iPod, MP3 player or any device with a standard 3.5mm headphone jack.

Wirelessly roam up to 33 feet away from your paired Bluetooth device. ABH01F features Bluetooth Class 2 + EDR and support for A2DP (Advanced Audio Distribution Profile) which enables the stereo audio wireless link between your Bluetooth devices (remembers up to six paired devices) for the best possible audio quality. The built-in lithium ion rechargeable battery provides up to 10 hours of continuous talk and listening. Charge your Headset via a USB port on your computer with our included USB charging cable.

BLUETOOTH DEVICES

With hands-free convenience and superb hi-fidelity stereo sound, wirelessly stream your favorite tunes and listen to audio from your Smartphone, Tablet, PC or Mac laptop.

Connect with friends and colleagues thru Skype, Yahoo Messenger, Windows Live Messenger, Gmail and AIM with the integrated microphone.

HANDS FREE TALKING

Features hands free support for taking phone calls. Your headphones will alert you to an incoming call. Press the phone button on your headset to answer the call. Your music will automatically pause and resume once the call has ended.

The small microphone at the base of the headphones ensures crystal-clear conversations.

RECHARGEABLE BATTERY

Features a built-in Lithium-ion rechargeable battery for up to 10 hours of continuous talk and music play and up to 100 hours of standby time on a full charge to free you from the hassle of frequent battery recharges.

The battery charges via a USB port on your computer (cable included).

ON EAR CONTROLS

Features simple on-ear controls. Easy to reach buttons makes it easy to change music tracks, adjust the volume and answer phone calls.

FOLDABLE DESIGN

The perfect travel companion, ABH01F features a convenient foldable design for easy portability.
