# Accessorize for Success

Designed for on-the-move individuals who prefer to carry only the minimum to keep in touch and informed, the V7 Attaché Slim Case is no bigger than necessary, yet has all the features you need with eye-catching style and great protection for your iPad.

Soft inner lining protects your iPad from bumps and scratches.

## High Quality Protection

The rugged 300-denier polyester material allows the Attaché Slim Case to shield against everyday wear and scratches, and absorbs impact without adding bulk. The variety of material colors, each with grey interior delivers adequate protection for daily iPad use as well as adding a touch of style. And its light weight means you can carry it anywhere.

# Carry it

Your electronic gadgets should fit seamlessly into your life, not rule it.

Organize your gear with this iPad messenger bag from V7, tailored specifically for the way you live.

Constructed of durable and stain-resistant 300D polyester material, this bag snugly fits and protects your iPad or other tablet computers up to 10.1 inches in size, with enough room to accommodate your additional accessories.

The plush lining inside the bag's pocket optimally protects your iPad's screen and finish. Three pockets - two exterior and one interior - and multiple compartments store keys, phone, cables and other productive essentials. A sturdy strap adjusts for comfortable over-the-shoulder or cross-body carrying.

# V7 Sleeves

Featuring a soft plush lining for screen protection

When you're on the go, you will feel confident knowing your iPad is securely stowed in a V7 Slim Sleeve. The ballistic material will protect your iPad from drops, bumps and abrasions as well as give you a firm hold to prevent accidental drops. Designed with today's traveler in mind, the slim sleeve offers solid protection, a soft plush lining for your device's screen, lightweight, durable construction and effortless portability. It slips easily into another bag, so it won't take up precious space in your luggage or carry-on. An easy-grip zipper closure ensures that your device is safely tucked away.

## V7 TD22 Sleeve

- Compatible with iPad, iPad 2 and iPad 3<sup>rd</sup> generation and tablet up to 10"
- Slim profile in a stylish design
- Fits iPad with Smart Cover attached
- High Quality Easy-Grip Zipper for instant access

## V7 Mini DisplayPort to VGA Adapter

The V7 Mini DisplayPort to VGA Adapter cable offers a cost-effective VGA/Mini DisplayPort link, letting you connect a VGA computer monitor to a device with a Mini DisplayPort output while saving the expense of upgrading the monitor for compatibility. Simple to use, this small form factor converter makes Mini DisplayPort backwards compatible with your existing VGA display or projector.

## V7 Mini DisplayPort to DVI Adapter

Using the V7 Mini DisplayPort to DVI Adapter with an Apple MacBook or any other Apple product allows you to connect any DVI monitor, projector or LCD as a display. It is the perfect adapter to have on hand to provide solutions for digital entertainment centers, data control centers, conference rooms, school and corporate training rooms to mention a few environments. It supports the Mini DisplayPort connection. Simple to use, this small form factor converter makes Mini DisplayPort backwards compatible with your existing DVI display or projector.

## V7 Mini DisplayPort to HDMI Adapter

The V7 Mini DisplayPort to HDMI Adapter lets you connect a high definition monitor, projector or LCD that uses a HDMI connector or cable to an Apple MacBook, MacBook Pro as well as other Apple products with a mini DisplayPort. The adapter allows you to view HD content from your Blue-ray players or a cable box on your Apple LED-backlit widescreen monitor. The V7 Mini Display Port to HDMI adapter supports high-resolution video and audio, allowing you to display HD content from external devices on the 27-inch iMac. Simple to use, this small form factor converter makes Mini DisplayPort backwards compatible with your existing HDMI display or projector.
