

## VERITON L4620 / L4620G

# Serious performance in a space-saving

The 3 liter Acer Veriton L4620 / L4620G desktop is compact yet robust. It comes loaded with a latest 3rd generation Intel® Core™ processor and Intel® HD Graphics. Premium manageability features such as TPM 1.2 and Acer ProShield Security give you the peace of mind you need so you're free to focus on important tasks. Also, this earth-friendly desktop consumes less energy and conserves costs.

### Serious performance

- 3rd generation Intel® Core™ processor family
- Supports up to three digital displays for enhanced efficiency
- Up to 8 GB of DDR3 memory
- Gigabit Ethernet for high speed Internet

### Premium manageability

- TPM 1.2 compliant design provides robust security
- Acer ProShield Security for advanced data protection
- Acer Veriton ControlCenter enables centralized management
- Acer Office Manager

### Hardware-based security

- 100% solid capacitor design means more stability
- USB 3.0 connectivity dramatically boosts data transfer speeds
- Acer ErgoStand saves space, adds comfort, and is easy to use

### Industrial compliance

- ENERGY STAR® 5.0
- EPEAT® Gold
- RoHS
- GS

- Specifications vary depending on model.
- 3rd generation Intel® Core™ processors support Intel® Hyper-Threading Technology, enabling them to handle eight processing threads on four cores for the fastest processing available.
- CPU power consumption limited to 65 W or less.
- Only supported with 3rd generation Intel® processors.
- Bundled software may vary depending on hardware configuration, OS and regional availability.
- For models with Windows® 7.
- Trial periods vary depending on the geographic region and specifications: 365-day trial for China, Taiwan, Hong Kong and Singapore (Simplified Chinese and Traditional Chinese OS models); 60-day trial for other regions.
- Purchase an Office 2010 product key to activate one of the following Office 2010 suites preloaded on this PC: Office Home and Student 2010, Office Home and Business 2010, Office Professional 2010.
- ENERGY STAR® 5.0 and EPEAT® Gold are available only on G models.

As a phenomenon known to thin-film transistors (TFTs), liquid crystal displays (LCDs) commonly exhibit a small number of discoloration dots, as so-called "non-conforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect, and as such is not covered by Acer's warranty. © 2012. All rights reserved. Acer Inc. ### About Acer

Since its founding in 1976, Acer has broken barriers between people and technology, enabling users to explore, create and grow. Acer ranks No. 2 for notebook PCs globally (Gartner data 2011). The Acer Group employs 8,000 people across the globe, and revenues for 2011 reached US\$15.7 billion.

Acer's channel business model is instrumental to the company's success, while its multi-brand approach integrates Acer, Gateway, and Packard Bell brands in worldwide markets. Acer designs environmentally friendly products and, with its vendors, has established a green supply chain.

Acer is proud to be a Worldwide Partner of the Olympic Movement. That includes supporting the Vancouver 2010 Olympic Winter Games and London 2012 Olympic Games. More information is at [www.acer-group.com](http://www.acer-group.com).
