

IRISNotes™ Executive 2

Take your handwriting to the digital world!

IRISNotes™ Executive 2 sends your handwritten notes and graphs directly to your iPhone® or iPad®, ready to be shared instantly through email. It also allows you to write and draw on photos taken with your iPhone® or iPad®, so you can share them on Facebook or Flickr® in just a few clicks, wherever you are!

Once at home, IRISNotes™ Executive 2 is a real time-saver; it will not only store your handwritten notes and graphs, but also turn them into editable text on your PC or Mac®, ready to be sent to your favorite text processor (Word, Outlook®, Notepad).

Key features

- Capture your notes and drawings anytime, anywhere. No computer needed!
- No batteries needed thanks to the USB-rechargeable built-in battery.
- Write and draw on pictures taken with your iPhone® or stored on your iPad®.
- Turn you handwritten notes into editable text thanks to the provided PC and Mac® software and export to Outlook®, Word or Notepad .
- Works on any standard paper, standard ink refill (available on I.R.I.S.' webshop).
- 30 languages recognized by the OCR engine.
- Unique recognition of combined texts & graphs.
- Store up to 100 letter pages.
- Full mouse and tablet functionality when plugged to your computer.
- Trainer module.
