

HP Pavilion 25xi 25-inch IPS LED Backlit Monitor

Multi-tasking just got better. Stunning visuals, Full-HD¹ resolution, and IPS widescreen technology in a bold new micro-thin, bezel-less design.

Share photos, videos, and games with everyone in the room and experience the same great views from almost any angle on the all new HP Pavilion 25xi 25-inch IPS LED Backlit Monitor. Incredible performance, vivid colors, and smart HP My Display software sweeten the deal.

Less distortion. Less blurring. Happy spectators.

In-plane Switching (IPS), the color-rich technology you know and love in tablets, mobile devices, and televisions, is now available in a micro-thin display designed for the home. That means image and color consistency from almost anywhere in the room.

Beauty and brains

Modernize your home desktop with a contemporary, bezel-less design that delivers maximum views of all your favorite images and on-screen content. Save space in style, too. The unique, micro-thin profile fits virtually anywhere without taking up valuable space. Do more with a dual-monitor setup enabled by the smart, plug-and-play design. Stay connected to current and evolving devices with built-in VGA, DVI, and HDMI inputs (with HDCP).

Smooth Surface panel

BrightView panels reduce glare by reflecting light away from you with no loss of contrast.

Jaw-dropping details

Bring your memories to life with eye-popping details. HP Enhance+ delivers super-crisp images and advanced noise reduction. Enjoy a crisp, detailed view with Full HD¹ 1920 x 1080 resolution and 10,000,000:1 dynamic contrast ratio.² Give your photos, videos, and online games³ more depth and see the difference with deeper blacks and whiter whites.

Software that simplifies

Control power-saving modes and customize screen settings with integrated HP My Display software, which also lets you partition your screen so you can work with multiple open application windows at the same time.

HP on your side

Help reduce your power consumption and cut back on energy costs with an intelligent, energy-efficient design built with the environment in mind. Mercury-free LED backlighting, a BFR/PVC-free design⁴, arsenic-free display⁵ glass, and recyclable packaging are just a few of the responsible details built right into your display.

Gain peace of mind from HP's award-winning service and support and relax with a standard, one-year limited warranty.
