

The VisionTek Mini DisplayPort to VGA active adapter allows you to connect your favorite mDP device to your VGA display or projector. This active adapter works without any additional power or drivers. Watch movies in perfect 1080p clarity or tackle your most demanding software applications across multiple displays. VGA cable required (not included) to connect to display.

PN 900343 | UPC 7 84090 02630 9

NOTE: This adapter is not bi-directional. This adapter converts Mini DisplayPort to VGA only, not vice-versa.
