

4XEM 15U Wall Mount Server Rack Cabinet

4XEM Part- 4XRACK15U

4XEM's 15U 19" wall mounted server rack provides a durable and solid design for rackmount servers, switches and other networking equipment. The 4XEM 15U server cabinet features heavy gauge material to ensure a stable installation platform. Sporting a tempered glass door and maximum loading capacity. The universal standard design is compatible with 19" equipment from popular manufacturers. The 4XEM wall mounted racks all have a 180 degree front tempered glass door and cable entry locations at the top and bottom of the cabinet. They are designed specifically for small business, home offices, restaurants, classrooms and IT professionals!
