

Night Owl CAM-4PK-624: 4PK Hi-Resolution 600 TVL Security Cameras with 50FT of Night Vision

Night Owl's CAM-4PK-624 is a 4 pack of sleek indoor/outdoor hi-resolution security cameras that provide clear and crisp images at 600 TV lines of resolution. These cameras will produce a night vision image up to 50FT away in complete darkness and will allow for facial recognition up to 50FT away. They have an IR-Cut filter that delivers high quality and clear crisp day or night vision images.

Key Features

- ❖ 600 TV Lines of Resolution for Clear Crisp Images
- ❖ 50FT Night Vision & Facial Recognition
- ❖ 3-Axis Vandal Proof Cable System
- ❖ Easy Connection to any TV (RCA) and/or DVR (BNC)
- ❖ Compatible With all Night Owl Systems
- ❖ 24/7 Technical Phone Support

600 TVL Cameras with IR-Cut Filter:

Each camera comes equipped with an impressive 600 TV lines of resolution and smart IR-cut filter that produces clear and crisp images both day and night. The cameras are engineered for use both indoors and outdoors and can be mounted either to ceilings or walls using the 3-axis vandal-proof bracket.

50FT Night Vision and Facial Recognition:

The cameras come equipped with 50FT of night vision giving you the ability to mount in complete darkness and still view clear images. In addition to having detailed night vision images the cameras offer up to 50FT of facial recognition during the day.

Easily Connects to your Night Owl DVR system:

Each camera comes equipped with easy connect 60FT of cable to quickly expand your Night Owl DVR system. All Night Owl cameras use industry standard BNC connectors and are compatible with all other DVRs in the marketplace using BNC video connectors.

Professional Installation Services provided Nationwide:

This kit comes packaged with all the cables and accessories you will need to install yourself. Don't have the time to install the system yourself? We offer installation services throughout the continental US via InstallerNet. Call our installation service department at 1-800-806-5513 and they will give you a quote over the phone and then schedule an appointment for your installation (This is an optional service, fees will apply).
