

# Foliosstand for iPad mini, Black

THZ212US

## Overview

Return to basics with the Targus Foliosstand. A straightforward, reliable iPad mini case, the Foliosstand protects your tablet from dust and scratches during casual use. A unique Bungee Fit System grips your tablet at the corners. The case's kickstand lets you brace up your tablet in landscape mode. A simple, trustworthy staple, keep the Foliosstand at home, work, or wherever you use your tablet the most.

**Viewing Stand** - Flip open the Foliosstand's front cover and prop up the kickstand for hands-free viewing. A steady companion for daily use, the Foliosstand case for iPad mini can rest in this position for as long as you need.

**Security and Protection** - Your iPad mini will be safe in this basic case. The Bungee Fit System's firm elastic grips never slacken and keep all ports accessible. An elastic band snaps over the cover to keep it closed when not in use.

**Sensible Design** - The Targus iPad mini case cover has a book-like design that easily opens and closes. The case's kickstand is unobtrusively built into the cover's design – fold it up and you won't even know it's there.

## Features

- Integrated stand for hands-free viewing
- Top-stitched design
