

THE SIGHTS & SOUNDS
OF EDUCATION

Help your beginning reader succeed with their read-alongs with this Listening First classroom headset. Purpose built for younger students and loaded with added safety features, this engaging red-colored headset is ideal for language activities on computers and mobile-based learning with iOS & Android-based smartphones and tablets. Its USB plug makes it a reliable choice for testing to meet English Language Arts (ELA) requirements within the Common Core State Standards.

1. Adjustable headband for personalized fit
2. Smaller overall headband to fit younger children
3. Rugged ABS plastic construction for classroom safety
4. Permanently attached 5.5' straight cord with reinforced "strain" relief connection resists accidental pull out
5. USB plug with inline mic on/off, Volume up/down, mute
6. Flexible electret microphone
7. Ambient noise-reducing earcups lower outside noise so volume does not need to be as high for hearing safety, keeps students more on task
8. Protective slotted baffles inside the earcups cover the speakers and help prevent accidental damage from prying fingers & foreign objects

- Two-year warranty for school use - unlike headsets purchased at consumer electronics stores whose warranties would be voided if used in schools.
