E2360SD

23-inch LED Monitor with User-Friendly and Eco-Friendly Features

AOC's e2360Sd offers stunning image quality at 1920 x 1080 resolution, while providing features that benefits you. Not only is the monitor eco-friendly and Energy-Star certified, the user-friendly features meets your needs when it comes to power consumption configuration and viewing conditions. The Kensington Security Slot also provides added anti-theft security.

Key Features

- 23" viewable image and 16:9 aspect ratio
- 1920 x 1080 maximum resolution at 60Hz
- User-friendly On Screen Display menu
- Screen+ software for dividing screen into four self-contained work areas
- Kensington Security Slot

AOC

Stunning image quality

AOC's e2360Sd boasts an amazing 1920 x 1080 resolution at 60Hz, with 16:9 aspect ratio and an impressive 20,000,000:1 dynamic contrast ratio, revealing darker image areas in greater depth. The monitor has a 23" viewable image with a slim design for space efficiency. With a response time of 5ms, you can watch videos or play games without missing a beat.

Features you will appreciate

The e2360Sd comes with a VGA and DVI-D inputs for your connections, as well as a Kensington Security Slot for anti-theft. The VESA 100mm Wall Mount compliant feature allows you to have the e2360Sd mounted on the wall with the appropriate mounting accessory. The i-menu software allows you to access the user-friendly On Screen Display menu with the mouse.

A monitor that is eco-friendly

The e2360Sd is Energy-Star certified, with Eco-mode that gives you 5 display settings (text, internet, game, movie, and sport) to meeting your different viewing conditions. The e-Saver software enables you to set a low power configuration for the monitor's on/off, in sleep, or screen saver modes. You can choose the time to turn the monitor off so as to reduce power consumption.
