

WHY USE DELTACLIPS?

The Deltaclip takes the place of staples and metal paper clips and it is entirely environmentally friendly! It organizes and bonds documents with style and flare all in the form of a fold. Since the Deltaclip is made of paper, there is no need to remove before shredding.

Multi-Functional

- Binds Paper
- Can be written on
- Archiving
- Organizes documents quickly

PRODUCT NO.	COLOR	PACKED
46051	Assorted	50
46057	White	50
56058	White/Memo	50

HOW DOES IT WORK?

All it takes is 3 simple steps to bind your sheets of paper.
It can even attach up to 15 sheets!

Step 1: Slide the sheet of paper in the triangular hat

Step 2: Fold the rectangle backwards

Step 3: Click the U-shaped flap in the hole at the back
