

AMRP145H

Projector Hanger

The AMRP145H is a heavy duty ceiling projector mount made to hold projectors up to a maximum weight of 55.1 lbs or 25 Kg. The unit has a sleek look with its high quality aluminum and synthetic materials. It supports an in-tube cable management system and a flexible ball joint allowing for different angle placement of a projector.

The AMRP145H features include:

- In Tube Cable Management System
- Patented Ball Joint Structure
- Universal Projector Mount 325mm Dia
- Height Adjustment
- Aluminum Structure
- SGS Tensile Approval
