

Lyric Duo

Bluetooth, left and right Speakers, Stereo Speaker System with Bluetooth 2.1 Technology and Rechargeable Internal Lithium Polymer Battery

Part No.: 161367

Enjoy vibrant, full-range stereo surround sound without wires with the Lyric Duo full-stereo wireless speaker system. Created with the audiophile in mind, this innovative speaker system uses Bluetooth multipoint technology to pair both speaker units to your smartphone, tablet, laptop or other mobile device. The result is a unique 3D listening experience that can be customized by placing the speakers anywhere within 15 feet (5 meters) of each other, or within 30 feet (10 meters) of the paired device.

The Lyric Duo system is composed of two precision-balanced, 4?, 40mm drivers in anti-resonant aluminum housings that maximize audio performance. Ideal for music, movies, games and more, the Duo delivers clean, crisp highs; rich mid-tones; vivid, realistic vocals; and deep, rolling bass that one might expect from a much larger system. Each unit has an internal lithium polymer battery that offers 20 hours of uninterrupted playback, and they can be easily recharged via any USB port (micro USB charging cables included).

Features:

- Wireless pairing between speakers delivers unique, full-range stereo performance
- Enjoy premium audio performance from most Bluetooth-enabled devices
- High-performance 4?, 40mm drivers deliver vivid, realistic audio performance
- Bluetooth 2.1 (reverse compatible with V2.0) +EDR
- 20-hour audio playback time (250-hour standby); 5-minute auto turn-off when not in use
- 10m (33-ft.) range between paired device and speakers; 4.6m (15-ft.) range between speakers
- Rechargeable lithium polymer battery
- USB chargeable (2- to 3-hour charge time)
- Supports A2DP and AVRCP
- Powder-coated, anti-resonant aluminum housing
- Three-Year Warranty

Standards and Certifications:

- CE
- FCC
- RoHS
- Bluetooth V2.1

General:

- Total output power: 3 W x 2 (RMS)
- Driver: 40 mm
- Frequency response: 200 Hz - 20 kHz
- Input impedance: 4 Ohms

Bluetooth:

- Bluetooth V2.1
- Class 2
- A2DP and AVRCP protocol support
- Effective range: up to 10 m (33 ft.)

Battery:

- Built-in, rechargeable
- 1000mAH lithium polymer

Connections:

- Power: micro USB, 5 V

Cables:

- Micro USB: 50 cm; 20 in. x 2

Physical:

- Dimensions: 60 (h) x 60 (w) x 60 (d) mm; 2.4 (h) x 2.4 (w) x 2.4 (d) in.
- Weight: 0.2 kg (0.44 lbs.)

Package Contents:

- Lyric Duo Full-Stereo Wireless Speaker System
- 2 micro USB cables
- Carrying bag
