

Center Stage Brackets

CSB3205ECO

Details

Wondering where to put your new Soundbar speaker? Looking for the perfect Soundbar mount? Why not mount your Soundbar on a shelf on top of your LCD, LED, or plasma TV? With the CSB-3205-ECO it has never been easier to place your Soundbar speaker above your TV on a Soundbar mount. In just a matter of moments you can assemble the bracket, put the bracket on top of your television, and place your Soundbar speaker on your television/TV without drilling unsightly holes in your walls or fastening cumbersome brackets to your television.

Each Soundbar mount comes with protective bumpers to protect the television.
