iPad stylus storage slot on stand

Knife storage slots on both sides of the board

Bring the power and convenience of the iPad into the kitchen with CTA Digital's Bamboo Cutting Board with Stand for iPad and Knife Storage. Easily view recipes and watch how-to videos while cooking or simply enjoy apps and music from your iPad as you prepare delicious meals. This durable and handsome cutting board is made of naturally strong and antibacterial bamboo, perfect for chopping, mincing and slicing everything you need. It features a unique multi-use bamboo stand that can either be attached to the top or the side of the cutting board. Placing it on the top creates a raised stand to hold the iPad for easy viewing and helps keep it clear from debris while chopping. This stand has a specially designed slot for the iPad and a storage space for the included bamboo capacitive touch stylus to easily use the iPad and keep the screen clean. The stand attachment can also be flipped and connected to the side of the cutting board to combine into a larger cutting board space with a groove to hold the iPad on the board. Up to eight knives can be stored inside the cutting board with storage slots on each side. So enhance your cooking and kitchen experience with CTA Digital's Bamboo Cutting Board with Stand for iPad and Knife Storage.
