

■ Product Overview

The Adesso[®] Xtream[®] S3 is designed with flexibility in mind. It doubles as stand for your tablet or smart phone; then can be turned upside down as a set-on-top speaker for your notebook. Not to mention, the Xtream[®] S3 utilizes Bluetooth 3.0 wireless hands-free audio to go along with deep bass speaker sound technology for high quality sound that will improve any movie or multimedia experience. Make flawless hands-free phone calls using the integrated wideband microphone. Never run out of Battery with the iOS on-screen meter. Multipoint technology connects up to two devices at the same time.

■ Bluetooth 3.0 Wireless Technology

Bluetooth 3.0 wireless technology offers 30 feet of wireless freedom, plus lower battery consumption and higher security encryption. Has built in Wideband microphone to facilitate hands-free calling capability.

■ iPad Stand & Speaker

It doubles as stand for your tablet or smart phone; then can be turned upside down as a set-on-top speaker for your notebook

■ Deep Bass Speakers

Enhances movies, music, or presentations on your iPad, iPhone or MacBook.

■ Rechargeable battery with IOS Indicator

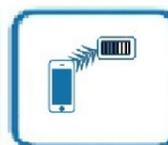

Software interfaces directly with the IOS on your device to show you in real-time how much battery life is available.
