

HSM® Classic

102.2 document shredder

Ideal device for small offices and home offices

- High quality materials for security and durability
- Automatic start/stop control
- Energy Management Control System Zero Power: consumes zero power in standby mode
- Working width is 9"
- Cross cut models can shred up to approximately 7 sheets per run; strip cut models up to 18 sheets (see specifications table below)
- Rocker switch for on/off and reverse
- Hardened 100% solid steel cutting rollers can handle occasional standard paper clips or staples
- Powerful drive for high performance; motor with protected thermal fuse
- Runs quietly
- Level indicator through inspection window in the waste container
- Tried and tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life of shredder
- Effortless emptying of the waste container via the removable housing top
- Uses an 11 gallon capacity shred bag; Part #HSM1310

HSM part#	HSM1104	HSM1105
