

ARP-1314

Powerful 13,500 BTU Portable Air Conditioner with 3-Way operation can be used to cool a room, to circulate air in fan mode, and as a dehumidifier to remove moisture. Durable design provides quick and efficient cooling with a unique self-evaporating system.

Royal Sovereign Advantages

- 13,500 BTU
- Powerful Cool a room up to 600 square feet
- 3 in 1 Operation Cools, Circulates air, and dehumidifies
- 24 hour timer and Sleep Mode for energy efficiency
- Removable and washable air filter ensures high air quality
- 1 year manufacturer limited warranty, 5 years on the compressor

Royal Sovereign offers high quality, economically priced portable air conditioners specifically designed for efficient cooling and ease of use. The ARP-1314 is a 3-in-1 air comfort system with a rugged durable design. This robust air conditioner also can be used in fan mode to circulate air and as a dehumidifier removing up to 72 pints a day without emptying a bucket. Fully featured the ARP-1314 has a digital display, a fully adjustable thermostat, sleep mode, 24 hour timer, variable speed fan controls, and a remote control. Built-in casters and easy set-up (window ventilation kit included) allows this Portable Air Conditioner to be easily moved from room-to-room.
