HYPERX CLOUD HEADSET

## GAME WITHOUT PAIN.

Let your opponents take the blows while you game without pain. HyperX® Cloud cradles your head in a super-soft padded headband, memory foam ear cushions and leatherette-padded cups so even your late game will be comfortable. It's affordable, so there's no pain in the price either. Pro-gaming optimized, HyperX Cloud is HiFi capable and delivers intense audio with crystal-clear low, mid and high tones plus enhanced bass-reproduction so you can lose yourself while you win. Plus you'll look sharp while playing, thanks to the unique HyperX design.
