Suitable: for all laptops up to 17 inch (min. laptop depth: 20 cm)

Specifications

Dimensions:	325 x 85 x 310 mm (W x H x D)
Weight:	2840 g
Product code:	BNET340

BAKKER ELKHUIZEN

Health & Safety Regulations

By European legislation, employers are obliged to take proper measurements to prevent physical discomfort among their employees. Separate from the screen the keyboard needs to have the ability to both tilt and move freely to allow a comfortable working position thus avoiding fatigue in the arms and hands. In addition one must be able to increase the height of the screen by placing a support underneath the monitor. The document holder should be stable, adjustable, and positioned so as to minimize uncomfortable head and eye movements. These guidelines do not only apply to desktop computers but also to laptop computer stations.
