Sit/Stand Height Adjustable Flip Top Conference & Training Tables

New!

Tables adjust from 29.5" to 41.75" for use while sitting or standing, or for use with chairs or stools.

A-D. Nido Height Adjustable Flip Top Conference & Training Tables

- Elegant and stylish, Nido Tables add a modern element to any training room, classroom, or conference room.
- Tables provide easy set up, break down, transport, and space-saving storage. The 1" thick tops flip back with a one-hand lever mechanism and roll easily out of the way on 3" dual-wheel casters (two locking).
- Powder-coated steel frame includes a stabilizing stretcher bar. Perforated modesty panel provides privacy and lends additional structural stability.
- Table is adjustable from 29.5" to 41.75" in height for use with a variety of chairs or stools, or as a sit/stand workstation for increased flexibility and work day comfort.
- Choose from any of eight Q5 laminate colors, available to ship within five days, or see our full line of custom options at www.moorecoinc.com/custom
- TAA compliant. Has achieved GREENGUARD GOLD Certification. Tested to support up to 300 lbs.
- Optional ganging device allows you to join your table configurations with ease. Durable rubber construction gives plenty of flexibility while keeping your tables securely joined together. Includes set of two plus hardware.
