BELKIN SECURE AND CHARGE

Less hassle, more learning.

The Belkin Secure and Charge makes it easy to deploy and support tablets and Chromebooks in the classroom.

Designed for learning environments, the Secure and Charge makes it easy to keep tablets, USB-charging compatible Chromebooks, and e-readers organized, available, fully charged, and ready for classroom use. The station can even store and charge different kinds of devices at the same time, each with its own charging cable or adapter. Secure and manage your mobile devices with this elegant, affordable Belkin solution.

Compatible with most mobile deployments, including iPads, Samsung Galaxy tablets, Samsung Note mobile devices, and USB-charging compatible Chromebooks, this Belkin solution makes securing and charging seamless and affordable.

Convenient access allows easy wireless syncing, labeling, and transporting from classroom to classroom or tabletop to storage location.

Integrated surge protector prevents loss from voltage spikes to keep the digital learning environment going strong.

Key Features and Benefits

- Lockable security enclosure deters tampering and theft

- Stores and charges up to 10 tablets at easy-to-reach angles

- Fits all iPad generations, Samsung Galaxy tablets, and e-readers

- Built-in cable management features to minimize tangles and clutter

- Includes labeling space for personalization and identification

- 3 Secure and Charge units will fit onto one standard AV cart from classroom to classroom

- Surface mounting features allow unit to be securely attached to tables or carts and are stackable to save space
