

Product Overview:

The LA-326 Universal Rack Mounting Kit allows you to install Listen Technologies LT-800, LT-803, LT-82, LW-100, and LW-150 into a standard 19" audio rack. The kit can facilitate the mounting of these units in single or dual-unit mounting configurations, depending on the combination of units mounted. The kit also allows bulkhead mounted antenna kits in single configuration mode with RF transmitters, available for purchase separately.

Highlights:

- Single- or dual-unit mounting options
- Includes hardware needed for any configuration or installation
- Antenna kits available separately for specific frequencies or applications

Includes:

- One (1) LA-326 Universal Rack Mounting Kit
- One (1) Left side bracket
- One (1) Left side long bracket
- One (1) Right side long bracket
- One (1) Right side short bracket
- One (1) Dual mount center bracket
- Ten (10) Machine screws
- One (1) Quick Reference Card
