Pure Refrigeration

It does what it says on the fridge.

Product Catalogue 2013/14

A4_20pp_LEC_Brochure_FINAL_AW v6.indd 1 09/10/2013 11:59

At Lec we have developed an inspiring collection of products offering style, functionality and a range of choice.

By drawing on over 70 years of refrigeration experience, we've built our collection around your needs. Whether it's capacity and durability for the family home, compact designs for smaller properties, or style and elegance for the modern apartment, there's a Lec product for you.

And now, as winners of this year's Queen's Award for Enterprise, there has never been a better time to buy from Lec.

Customer care

Lec's first class customer care service has seen the brand win the much coveted Total Excellence Quality Customer Care award four times, this year recording its highest ever score. Lec's UK-based customer call centre employs 130 operatives and 200 service engineers.

Our team of experts can be contacted six days a week, our lines are open Monday to Thursday from 8.30am to 5.30pm, Friday from 8.30am to 5.00pm and Saturday from 9.00am to 1.00pm.

Contact numbers

Customer care 0844 815 3737	We have a dedicated and highly knowledgeable team of staff who are waiting to take your call.
Spare parts 0844 815 3745	At Lec we also have a comprehensive stock of spare parts. Speak to a member of our specialist team today.
Trading advice 0844 248 4149	If you would like trade advice, one of our specialist team members will be more than willing to help.

Finding your perfect product

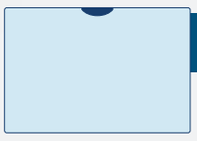
We've made sure we have a range of products to suit all your needs and requirements...

Table top & drinks fridges

Our versatile range of table top cooling, freezing and drinks fridges can fit anywhere in the home, allowing you to keep chilled food and drinks close to hand.

Under counter fridges and freezers

50cm or 55cm wide, our under counter larders, fridges and freezers fit perfectly under standard height kitchen worktops.



Chest freezers

Available in 100, 150, 200, 250 and 300 litre options, ideal for those looking for extra freezer capacity.

Fridge freezers

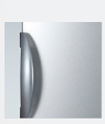
Available in 50cm, 55cm and 60cm wide in a variety of heights, we have a fridge freezer to fit every kitchen.

Tall larders and freezers

55cm wide, our tall larders and freezers offer between 6 and 9cuft capacity, ideal for those looking for additional cooling or freezing capacity.

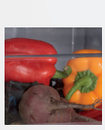
Glossary

Here are some key features to help you choose your perfect product, you'll find more information alongside each individual product.



Easy grip handles make opening the door easier and can be positioned for left or right hand opening.

Safety glass shelves with adjustable positions and shelf trims, make for a safer user experience.



Spacious, transparent salad drawers offer maximum visibility and greater capacity. They are also designed for easy cleaning.

Freezer: optimum setting -18ºC
Fridge thermostat: minimum setting 10ºC
maximum setting -3ºC
optimum setting +5ºC

As a responsible manufacturer, we take great care in ensuring our products offer the best possible performance without costing the earth. That's why our fridges and freezers are HFC and CFC free and are A+ rated for energy efficiency.

4* star freezing is the highest level of freezing performance. Freezers with a 4* rating will freeze food at a temperature of -18ºC or below, meaning that the freezer can freeze fresh food and store frozen food for longer.

Fast freeze is as simple as it sounds. It reduces the time it takes to freeze items by increasing the freezing power. All Lec products are designed with the environment in mind, so this function still offers a high level of efficiency.

Our frost free technology stops the fridge from icing up, so there is no need to manually defrost. The cooling element heats up for a short period, melting any ice that has formed upon it, which then drains away safely through a duct.

Our A+ energy rating is so impressive that the Energy Saving Trust (EST) is actively recommending our entire range.

Our entire range is A+ energy rated

No one does energy saving like Lec

Ladies and gentlemen, A+ energy rated refrigeration is here!
Allow us to introduce our fantastic range of products
that really set the standard.

Lec endorsed by:

energy saving®
recommended

When it comes to our appliances, we concentrate on the things that really matter. Like developing A+ energy rated products so, whether you're chilling butter or joints of beef, you can be sure that your Lec is doing its job in the most efficient way possible. It might not mean a lot to some but, to us, keeping your costs down is huge and that's why we're proud to announce that our entire range is now A+ energy rated.

Our A+ energy rating is so impressive that the Energy Saving Trust (EST) is actively recommending our entire range! This notable accolade is something we are very proud to hold. The EST is a UK-based organisation focused on promoting action that reduces our carbon footprint.

For more information visit www.energysavingtrust.org.uk

*Savings differ with each appliance. Based on comparing it to a 6 year old appliance

Home delivery

We are delighted to be able to offer you our new and improved home delivery services that are available as an optional extra when you buy your Lec appliance.

We know how important it is to make sure that every step of your appliance purchase is just perfect so we've developed a service that fits the bill:

We offer quicker delivery times and can deliver to anywhere within the UK, 6 days a week

We will position and install the appliance in your room of choice

We offer a service to dispose of your old appliances

Our team of expert installers will test everything to make sure it's in perfect working order.

Order Day 1 for delivery Day 3. Delivery available to the whole of the UK to most postcodes 6 days a week.

Delivery and installation is available Monday to Friday. Delivery is available to the whole of the UK, followed up with installation by our fleet of national engineers.

Our all-in-one service that includes it all. Delivery, disconnection, installation and removal all in one convenient visit on a choice of days. UK mainland only.

For more information about this service, please speak to your retailer when you buy your Lec appliance.

Star Rating
- * Stores frozen foods up to 1 week (freezer storage temperature -6ºC)
- ** Stores frozen foods up to 1 month (freezer storage temperature -12ºC)
- *** Stores frozen foods between 3 to 12 months (freezer storage temperature -18ºC)
- **** Stores frozen foods between 3 to 12 months and the ability to freeze fresh food (freezer storage temperature -18ºC)

Climate class
- N Operates in ambient temperatures from 16ºC to 32ºC
- SN Operates in ambient temperatures from 10ºC to 32ºC
- ST Operates in ambient temperatures from 16ºC to 38ºC

Energy consumption is based on standard test results for 24 hours.

Actual energy consumption will depend on how the appliance is used and where it is located.
