OF EDUCATION

## 901™ Wireless Stereo Headphone

### Model 901

**Take differentiated learning to the next level with this wireless headphone. Ideal for language learning, storytime activities and music listening, it's iCompatible with all three major operating systems (iOS, Android, Windows). The 901 works with tablets, smartphones, TVs, laptop and desktop computers. Simply plug its wireless transmitter into the audio source and the headphone will begin receiving the audio.**

**Since a single transmitter can work with multiple wireless headphones, it's easy to create your own differentiated learning group. You can also connect the headphone to a tablet, computer or smartphone with a standard cable (3.5mm at both ends) and for added connectivity, plug a wired headphone into the earcup for another student to listen at the same time! Change the audio source with the push of a button to FM or stream audio from the built in micro-SD card slot.**

1. Recessed wiring for student safety
2. Adjustable headband
3. Over ear cushions reduce external ambient noise
4. Foldable
5. Micro SD card slot
6. 3.5mm to connect additional wired listener
7. Push buttons for menu, switch audio sources
8. Wireless transmitter plugs into any audio source with 3.5mm plug connection
9. Micro USB to recharge internal batteries
