HP EliteDisplay S240ml 23.8-in IPS LED Backlit MHL Monitor

View your phone and tablet content on a bold, extra-large Full HD[1] IPS display that charges the devices with MHL. Switch to your PC for the complete HP EliteDisplay experience with advanced technology and integrated collaboration tools.

Be more productive with all of your devices.

• Extend your visual workspace and instantly mirror your smart phone or tablet content to the super-sized screen through an easy MHL connection that also keeps the devices charged and ready to go.[2]

Connect and collaborate.

• Connect to a PC with HDMI and DisplayPort—and toggle between it and your mobile device—on one display. The USB hub keeps your peripherals handy. Optimize communication technologies and meet online[3] with a built-in webcam, microphone, and speakers.

Power through your day in comfort.

• Find your sweet spot with customizable tilt and height adjustment settings. Take the display off the stand and put it on a wall or optional swing arm with the integrated VESA mount.[4]

Global reassurance.

• Get award-winning service and support, and extend your protection with optional HP Care Packs.[5]

Features

• Get versatile connectivity with DisplayPort 1.2, HDMI, and VGA to connect to a PC, in addition to MHL for your mobile devices.[2] The easy-access USB hub lets you add peripherals, or drive your PC with a keyboard or mouse connected to the display.

• The modern black-and-meteorite color palette, ultra-slim bezel, and slim design will grab your attention, and the stunningly crisp Full HD[1] IPS wide-angle viewing experience and 23.8-inch diagonal screen will keep it there.

• Design the screen for how you work with HP Display Assistant software.

• Reduce power consumption and help lower your costs with an energy-efficient design.

Accessories and services (not included)

HP Single Monitor Arm

The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.
Product number: BT861AA

HP Dual Output USB Graphics Adapter

Increase screen real estate and productivity with a dual-monitor setup with the HP Dual Output USB Graphics Adapter, featuring DVI-I and DisplayPort outputs to drive displays at high resolutions through a single USB 3.0 B connection to your PC.
Product number: C5U89AA

HP Integrated Work Center Stand for Ultra Slim Desktop and Thin Client

The HP Integrated Work Center Stand is designed to help maximize the use of limited desk space without compromising performance or productivity by accommodating an HP Compaq 6005 Pro, or 8000 Series Elite HP Ultra-slim Desktop PC or an HP Thin Client1 and most HP 17 to 24-inch*,2 diagonal LCD monitors (please refer to compatibility list below) with VESA standard mounting brackets
Product number: E8H16AA

HP LCD Monitor Quick Release Mount

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.
Product number: EM870AA

HP USB Graphics Adapter

The super-compact HP USB Graphics Adapter enables connection of up to six simultaneous displays (one per adapter) to help you boost productivity and multi-task across several open applications.
Product number: NL571AA

HP Integrated Work Center 2 for Small Form Factor

Designed specifically for use with the HP Compaq Small Form Factor (SFF) Desktop PC and a 17 to 24-inch* diagonal monitor, the HP Integrated Work Center 2 (IWC) – Small Form Factor (SFF) provides a portable, compact workspace to help maximize space-constrained work environments
Product number: QP897AA

Messaging Footnotes
