Product Description

Not all 9-inch and 10-inch tablets are made to the same specifications. A half-inch there or there and your tablet won't fit into a case. Kensington has solved that problem with the Comercio Fit Soft Folio Case that provides a universal fit for all the most popular 9-inch and 10-inch tablets. The soft, lightweight case offers secure protection for your device through the Silicone 4-Corner Base, which uses stay straps that come up and over the corners of the tablet. The inside cover has soft microfiber lining that prevents the screen from getting scratched or damaged and a magnetic clasp keeps the folio securely closed. Special grooves inside the case enable multiple viewing angles for your tablet so you can select the ideal position for viewing videos, typing emails or web browsing.
