OVERVIEW

Hang onto something: This LG OM5541 shelf system cranks out a thunderous 400 watts through our dynamic speakers, virtually guaranteeing that your next party will be unforgettable. Connect to different sources easily with Bluetooth, NFC, dual USB ports and more. And with the Auto DJ feature, the music never has to stop!

HIGHLIGHTS

NFC®

Tap your NFC-compatible smartphone or tablet to the NFC tag to create an instant connection to the X-Boom Cube.

BLUETOOTH®

Wirelessly stream music directly from your smartphone or other compatible device for a seamless listening experience.

DUAL USB

Two USB inputs allow you to connect multiple USB-enabled devices at the same time, for greater convenience. You can also transfer files from one USB drive to another, and record from different inputs including CD, AUX and FM radio.

* Works with Android devices running OS 4.2 or higher.
