

# The Essential Gaming Headset

**Upgrade your gaming experience.** Games sound better and your commands and calls are clearly heard with the signature Plantronics audio in this gaming headset. Long playing sessions are more comfortable wearing these soft earpads, but don't stop with gaming—this headset does it all—listen to music, movies and podcasts, and make online calls in comfort and great sound.

## FEATURES

- 40mm stereo speakers deliver rich, resonant stereo with maximum bass response
- Lightweight and flexible, the headset is comfortable for hours
- Pillow-soft, swivel-mounted ear cushions focus stereo sound for maximum enjoyment
- Quick-adjust microphone telescopes and rotates for precise placement
- Noise-canceling microphone reduces background noise so you can easily be heard
- Convenient in-line controls let you adjust volume or mute the microphone with just a touch
