ADS-2500w

Robust Software

The included software makes the ImageCenter™ ADS-2500w a powerful scanning package:

### Nuance® PaperPort 12 SE (Windows®)

- Fast, professional, and productive scanning made easy from almost any device.
- Powerful industry-standard PDF creation and editing.
- Create and fill out electronic forms quickly and neatly.
- Connector for Microsoft® SharePoint.

Nuance® PDF Converter Professional 7 (Windows®) (Not supporting XP 64bit)

- Convert paper and PDF into Microsoft Office documents.
- Search and highlight information in PDFs.
- Control, view, edit, and print documents with complete security.
Presto!® PageManager® 9 (Mac®)

- Scan and organize digitized files… View, edit, e-mail or save files as searchable PDF, HTML, RTF, or TXT files.
- Quickly merge multiple file formats from various folders into a single, multi-page PDF.
- Define a folder as a document inbox for e-mail attachments so you can easily monitor all incoming files.
- Scan to E-mail, Scan to Folder, Scan to OCR, Scan to PDF, or any designated application.

Presto!® BizCard 6 (Windows®) Presto!® BizCard 5 (Mac®)

- Scan and export contact information directly to Microsoft® Outlook® and other contact management systems.
- Capture and convert business cards into a searchable and editable database.
- Sort contacts by company group, category, first or last name.

Also Includes:
TWAIN, WIA, ICA & ISIS Drivers

Use to control all the details of the scanner settings. Compatible with any application that uses TWAIN/WIA/ICA/ISIS device support.

ADS-2500w Key Features:

Wireless and Ethernet Connectivity

Scan over your wireless 802.11b/g/n or Ethernet network; these interfaces allow you to share the ADS-2500w with multiple users on your network. Eliminate extra cables and conveniently place your scanner within a department or workgroup.

Cloud Scanning[1]

Supports scanning to numerous cloud applications to help you digitize hard-copy information, and allow you to better deliver it, share it and manage it. Supports GOOGLE DOCS™, DropBox, Evernote®, FLICKR®, Facebook™ and Picasa Web Albums™.

3.7" Color TouchScreen Display

Easy to use 3.7" TouchScreen display with one-touch settings to help simplify repetitive tasks and create shortcuts for frequent scan-to destinations.
