

## Medical Screen Protectors for Surgical Monitors, Patient Monitors and Mobile Devices

Model Series: SSCR

### The Ultimate Screen Protector:

Medical-Grade Screen Protector with Antimicrobial Product Protection\* for any flat screen monitor, surgical monitors, patient monitors and mobile devices. Patented technology adds tensile strength to protect from dings and scratches caused by OR booms and other medical equipment. Protective film conceals existing scratches and reduces cloudiness to enhance visibility. Compatible with hospital grade disinfectants, including a bleach solution.

### Mobile Devices Supported:

- Samsung Galaxy models
- Apple iPhone and iPad models
- Microsoft Surface Pro models
- Motorola models

### Patient Monitors Supported:

- Philips Intellivue MP50
- GE Carescape VC150
- Welch Allyn 6500
