

15.6" Spruce EcoSmart™ Checkpoint-Friendly Backpack

TBB013US

Overview

The Spruce EcoSmart TSA Checkpoint-Friendly Backpack is designed to protect up to 15.6" widescreen laptops and is constructed with polyester material made from recycled plastic bottles. The case also features nickel-free hardware and recyclable plastic components. To store your essentials, the backpack features a key clip, water bottle holder, MP3 player, business card holder, pen loops and accessory compartments. Quick-access front pocket provide a convenient place to store items while on the go. The padded back panel and adjustable shoulder strap allow for a customized, comfortable fit. A colorful green interior lightens the case, making items stored inside more visible. Both sleek and sporty, the Spruce line offers a durable eco-friendly option with tasteful color accents.

Features

- A comprehensive business workspace with all of the compartments you need to carry files, business cards, keys, storage drives and other on-the-go essentials.
- Designed to fit a range of laptops with screens up to 15.6" in size; including models with an extended battery.
- A foam padded laptop compartment helps absorb the shock of regular use and protect your laptop from other objects in your bag.
- Standard compartment space for those who want the flexibility to carry more.
- Easily accessible water bottle holder placed safely away from sensitive electronics and important files.
- Fabric made of recycled plastic bottles
- Designed to protect up to 15.6" laptops
- TSA Checkpoint-Friendly
- Convenient quickaccess pocket includes key clip, pen loops, business card holder, accessory compartments, water bottle holder and MP3 player pocket
